- You are spinning too much into thoughts whenever you come in contact with me. I hope one day you'll be comfortable enough to talk with me without spinning. I trust you. I don't think your freedom comes in to my picture. I think no one can takes another person's freedom. I want you to be happy & make your own decisions. I respect it either way. I can't stop writing you but this will be last letter I'll be posting in the website. If you ever wanna read those then call me. നീ നിന്നിലേക്ക് ഓടുകയാണ്. [illegible] [illegible] [illegible] നീ ഓടുകയാണ്. I will be writing you but I can't post anymore here.

-Cool.
