→ I'm not gonna come to see you unannounced unless it is absolutely necessary. If we ever meet again it should be with your choice. I learned to speak with others and I'm not interrupting one while speaking. I take a 2 to 3 seconds pause before I respond. I think its very small reasons to give up on love just because you said few things which hurt me a little or you blocked me. I've already looked passed that. You know its going to take a lot more to separate us. I know you just have feelings only for me and its not gonna change, [illegible] emotions [illegible] because [illegible] your love is pure. Its going to be a while for the next letter: The more you try to hide it the more those emotions grow you have to be honest with yourself.

ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ನಾನೇ ಬರೀ ನಿಮ್ಮವ್ವ ಬಂದಾಗ ಹೇಳಿ ಇಲ್ಲ [illegible] ನಾನೇ ಎಷ್ಟೇ circus ಮಾಡಿದ್ರೂ [illegible] walk out ಆಗಲ್ಲ. I've decided to stay on my path and I'm not gonna change it until I'm absaulately sure you want different things. Hey one thing if ~~able~~ you've hurt me for sure but they are like minute inconvi-niences and I'm able to look past it and forgive you for all that but only things that hurt me the most is that the pain I've caused you since I can't able to look past it and forgive myself for a long time. Don't make same mistakes as mine it's a suggestion. We can forgive our loved one's mistakes but its way harder to forgive ourselves the pain we caused to them. You're ~~never~~ never hurt me ~~hurt~~ strong enough to stop loving you. Everytime I see you push me away I'm not mad, sad or angry I can only imagine the pain you are going through. I'm sorry for that and I understand if you never forgive me also it is reasonable but I can never give up on you because life is all about dreaming and working towards achieving it. You are one of the best dream so I have work towards you even if I fail it doesn't matter because I won't regret it because I know I've given my 100% efforts towards it. This goes for all of my dreams so I'll be working on it. — COOL
