I may be stopping all this and just forgetting ~~all~~ all of this is the right thing but I can't stand the thought I had ~~some~~ a chance to correct it and I did nothing about it. Now ~~never~~ never wanna talk to me or even you don't wanna see me. Then may be ~~you~~ you decide to have your life with someone else at that point I have to live my life without you. Up work ~~work~~ work chance & chance to make it right. Until then I'll keep on working on myself and improve my inter personal skills and have control over my emotions. To be honest ~~will~~ try what I do so ~~what~~ who's think about it again. I ~~think~~ observe that my anger is under control and I am have not lost cool in a while. There are couple of more things to correct in myself but not able to manage it yet. Hey sorry I was not able to write for a while now I'm better I'll
