TREDENCE

Beyond Possible

I wanna call you
I wanna ~~ask~~ you if
you are doing ok. you've blocked me.
the way I've behaved so far. I
deserve to but I just wish there is
a way for me to know that you are
ok. each letter in this sentence is
weighing heavier. It hurt a
lot but that is ok. I'm not an emotional
wheel that I used to be. I'm
getting better at controlling my emotions
I can sense it but still there is a
long way to go. No matter what
happens I will not lose hope and
I'm not gonna give up. I will take
my course in ~~GENAI~~ more seriously and
also my personality development more
honestly. I will be better I promise.
I wanna fulfill my other promise also,
please give me a chance to fulfill it.
